

MAZBAUL KAMAL

Full Stack Developer

I am a Full Stack Web Developer with over 2 years of experience in designing and developing concept-based, scalable, and high-performing web solutions. I specialize in creating multisite platforms, responsive user interfaces, and efficient back-end systems that help businesses establish strong digital identities.

EXPERIENCE

FULL STACK DEVELOPER

GigCapitol Consulting Limited, Hong Kong 2024 - Present

- Designed and developed multisite web solutions, ensuring scalability and performance.
- Focused on building responsive front-end interfaces and secure, high-performing back-end systems.
- Collaborated with cross-functional teams to deliver projects on time and aligned with business goals.

WEB DESIGNER

AXIOM International, Bogura, Bangladesh 2024 - Present

- Designed responsive websites with a focus on user experience and brand consistency.
- Developed front-end interfaces using HTML, CSS, and JavaScript.
- Worked closely with clients and developers to create engaging digital experiences.

SENIOR HARDWARE ENGINEER

Computer Network Sestems Ltd, Dhaka 2013 - 2024

- Installed, maintained, and repaired computer hardware, ensuring optimal performance.
- Provided technical support and training to clients on hardware-related issues.
- Managed hardware inventory and assisted in network configuration.

EDUCATION

BSc IN ELECTRICAL AND ELECTRONICS

Atish Dipankar University of Science & Technology, Dhaka. 2015

DIPLOMA IN POWER

Bogura Polytechnic Institute, Bogura. 2011
